Balchik Airfield

1. A military airfield is located approximately one kilometer east of Balchik. It has three runways, from north to south, paved with square cement tiles. Each runway is about 500 meters long and 6-8- meters wide.
2. Approximately 300 officers and privates are housed in a building at the west side of the town near the Levski Settlement.
3. In May or June 1952, four twin-engine airplanes were observed on the field.

Sokolovo Airfield

4. A military airfield is located at the eastern point of the village of Sokolovo, near the last houses. In June 1952, ten twin-engine planes were observed on the airfield.

Ammunition Depot

5. Air Force ammunition depots are located about two kilometers from the village of Senakos. They are guarded by Air Force personnel. The area is restricted. A wire entangled fence surrounds the depots.
